About us.....

"Welcome to Conquer: Born to Conquer

In the heart of Aligarh, the city of locks, two brother dared to dream big in 2005 with a shared passion for innovation and a relentless pursuit of excellence, we embarked on a journey to create an exclusive range of architectural hardware products that would redefine the industry standards.

Today, conquer proudly offers a diverse portfolio of premium products crafted from the finest materials-Brass, Stainless Steel, Zinc Alloy and more. Our Commitment to quality is unwavering and our dedication to delivering exceptional products has earned us a reputation for reliability and trust.

Our brand, Conquer, is more than just a name - it's a promise. A promise to deliver products that not only meet but exceed your expectations. Our punch line, "Born to conquer," resonates with our unwavering spirit to innovate, improve and excel.

As you explore our brochure, discover how our products can elevate your projects and transform your vision into reality. Join us in our pursuit of excellence and together, let's conquer new heights."
